Text Body Recently, RealPage received a Consumer Dispute from applicant Elhan Arter. Today we are emailing, Legend Oaks, to inform of the following reinvestigation results:

The criminal section of the report provided to you regarding Elhan Arter on 7/11/2015 was derived from public records from the North Carolina courts. Based upon our investigation, we have determined that the record should be removed from the consumer's file.

We have added an activity note in OneSite. PLEASE do not rerun the applicant's screening, instead please contact your corporate office or regional manager for a further review of this application.

Thank you,
